

MULCH MAT

MULCH MAT is a top quality spun bonded polypropylene fabric which has high water and air permeability, together with good tensile and tear strength and a weight of just 30gsm.

MULCH MAT is micro-porous and has no visible holes or gaps, which enables much greater water permeability than woven weed control mats.

MULCH MAT is UV stabilised, however it is recommended the mulch mat is covered to ensure a longer life.

Both 1.6m and 800mm widths Available in 10m and 50m rolls for added convenience.

PRODUCT	COLOUR	ROLL WIDTH	ROLL LENGTH
30gsm	Black	1.6m	50m
30gsm	Black	1.6m	10m
30gsm	Black	800mm	50m
30gsm	Black	800mm	10m

SPECIFICATION

Construction	Spun bonded Polypropylene
Weight	30gsm
UV Stabilized
